Through scripture, reflection, and song, local residents from area churches, schools, social service organizations, and peace and justice groups will connect the suffering Jesus endured to the suffering that occurs today locally, nationally, and globally. Reflections will focus on the theme: *Not in Our Name: War & Violence, Greed, Rejection of Immigrants, and the Death Penalty.*

The Closing Bread Service will focus on the theme, *In Your Name, We will ...* choose compassion, choose sharing, choose hospitality, choose sufficiency & simplicity, choose peace, dialogue, and trust.

All are welcome for this time of prayer
