A Four Week Course on Homelessness

- **Session 1: The State of Homelessness in the Dayton Region**
- **Session 2: Poverty Reduction and Housing Needs**
- **Session 3: Preventing Homelessness / Developing a Multi-System Response**
- **Session 4: The role of the faith community / Strategy Session**

This exciting course, grounded in Catholic social teaching, will involve an in-depth look at the recommendations put forth in the *10-year plan to End Chronic Homelessness and Reduce Overall Homelessness in Dayton and Montgomery County*. Teachers of this course will be people who developed this plan, including experts who work in our community serving the homeless. Special attention will focus on how parish communities can prepare to be involved in helping to end homelessness in this region.
