

Interfaith Prayer Service for Comprehensive Immigration Reform

Members from many faith traditions will come together to pray:

- for just immigration legislation.
- for an end to inhumane enforcement of our current laws that often tear families apart.
- that immigrants may know that many in the United States stand in solidarity with them.

There will be representatives from Catholic, Protestant, Jewish, Muslim, Buddhist and other faith communities.

Sponsored by:

American Jewish Committee

Archdiocese of Cincinnati
Catholic Social Action Office

Cincinnati Interfaith Worker Center

Faith Community Alliance
