

NATIONAL ISSUES FORUMS is a nonpartisan, nationwide network of locally sponsored forums for the consideration of public policy issues. Through this public deliberation, participants move from making individual choices to finding common ground for action.

Do you want to find common ground for action?  
You are invited to participate in a  
National Issues Forum on the topic:

## “Racial and Ethnic Tensions: What Should We Do?”

As this nation proceeds into the 21st century, the rich diversity of its people may be America’s greatest promise and its greatest challenge. Many local and national issues are rooted in racial discrimination and ethnic bias. Come join us in an exploration of the issue along with approaches for addressing it.

**Three Different Approaches to the Issue will Be Studied.**
