

STAND UP for an END TO EXECUTIONS

“A sign of hope is the increasing recognition that the dignity of human life must never be taken away, even in the case of someone who has done great evil. Modern society has the means of protecting itself, without definitively denying criminals the chance to reform. I renew the appeal

I made... for a consensus to end the death penalty, which is both cruel and unnecessary.” ~ Pope John Paul II, St. Louis, MO, January 1999
